## ECLS 2019 - BRAVE NEW WORLD

Our 5th annual summit in 2019 is themed "Brave New World". This year, we will look at the intersection between technology with free play in the preschool setting, building emotional resilience in our children, and enhancing learning through music and language development in preparation for the new world of disruption that they will grow up in.

Hear from renowned speakers from around the world as they go deep into these topics and engage in exciting live discussions. Be among esteemed professionals all over the world in the forefront of change. Build a network of support with like-minded professionals all over the world and grow together in three power-packed days of intensive learning.
